# OUR WINE COLLECTION

Curated by Mariana Onofri—The Vines Wine Director and Executive Sommelier—in professional collaboration with Sommelier Lidia Araujo, our list features a distinguished selection of exceptional labels from over 100 of Argentina's most prestigious and avant-garde wineries. This collection is further enriched by an exclusive portfolio of international icons from world-class regions where The Vines expands the horizon and delivers custom winemaking experiences, including Champagne, the Mosel, Montalcino, and Priorat.

Our list celebrates the extraordinary breadth of Argentine viticulture, journeying from the extreme high-altitude vineyards of Jujuy and Salta in the north to the cool, windswept horizons of Patagonia in the south.

At the heart of our collection lies Los Chacayes, Mendoza—our home. Here, we proudly showcase our estate wines, meticulously crafted at The Vines by private vineyard owners from across the globe. The Vines' Private Vineyard program offers enthusiasts the rare opportunity to step into the role of the winemaker, producing award-winning bottles that harmonize the rugged elegance of the Los Chacayes *terroir* with their own personal vision.

Wines crafted by our Private Vineyard owners are designated with the icon.
